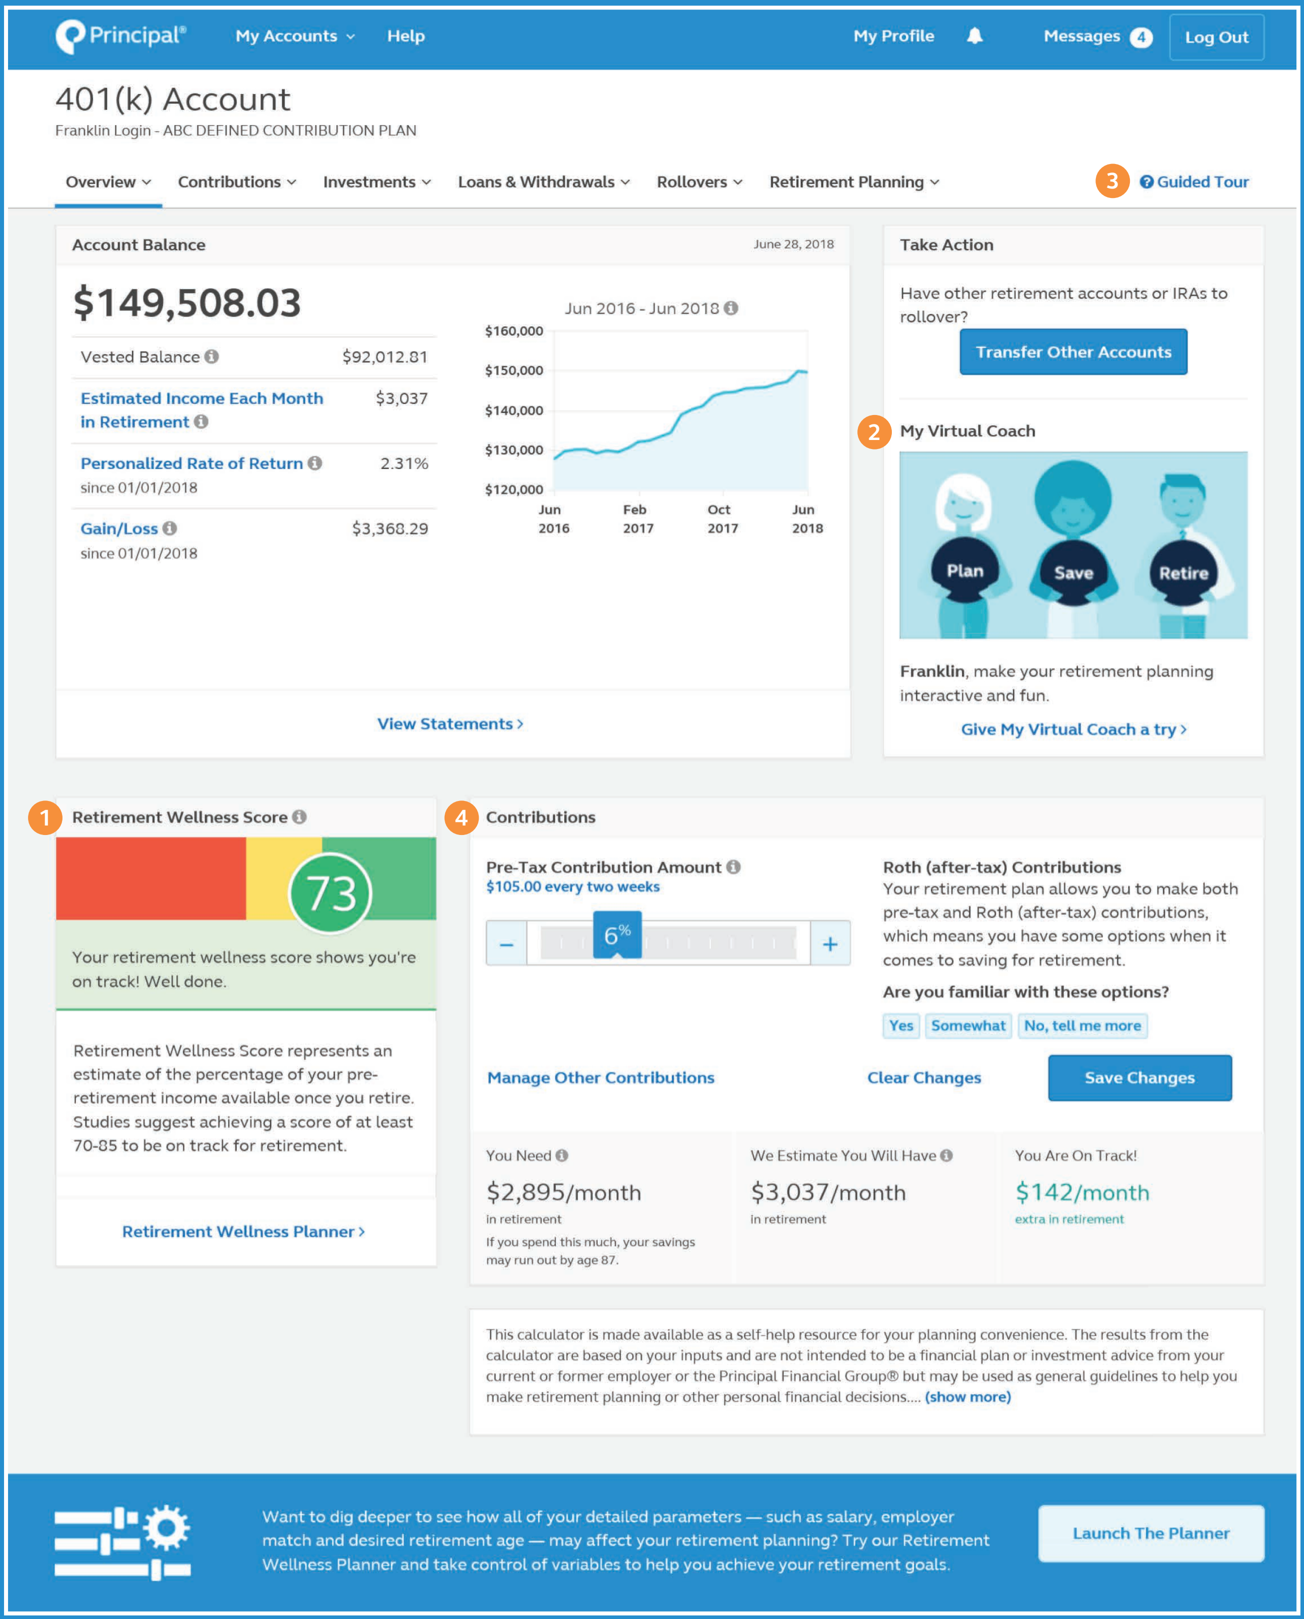
Principal®

Your future, your way

Helpful online and mobile resources



For illustrative purposes only.

Log in to your account at **principal.com** to see all of the tools and resources you can use at home or on the go to help plan for your future.

1. **Retirement Wellness Score:** Your score is an educational and personalized representation of your financial health in retirement based on your account balance, salary and other details. Unlock your score to see how ready you may be for retirement.

2. **My Virtual Coach:** This fun, interactive resource helps break down complex financial topics into easy to understand conversations. Explore each one to help make sure you're moving toward the retirement you've imagined.

3. **Guided Tour:** Get to know all the resources at your fingertips. Click anytime for a guided tour of your account. Learn how to update your profile, get account information, view your statement, access the Education Hub and more.

4. **Improve your score:** Explore how changes to your contribution rate can make a big difference for your financial future. Go even further by launching the Retirement Wellness Planner to see your full retirement snapshot.

By launching the Retirement Wellness Planner, you can see more features and discover all of the ways you can personalize your score.

5 **Visualize your projected progress:** Take a look at the graph to see your estimated retirement savings and monthly income in retirement through the years.

6 **Retirement Outlook Report:** Use this real-time report to identify any potential gaps in retirement income and see how small changes to your deferral could help. You can even print your personalized report to take with you when you meet with your advisor.

7 **Unlock your Household Retirement Wellness Score:** Get a better idea of your total financial picture by calculating your Household Score. Just add your spouse or partner's salary information and retirement goals to see how your joint household stacks up.

Did you know?

You can adjust your desired retirement age: Update your retirement age under "Advanced Planning Inputs" to see how it could impact your score.

Did you know?

You can enter information on outside accounts to get a holistic view of your retirement readiness: Add information on accounts outside Principal® under "External Accounts" to get a more holistic picture of your retirement readiness. You can link your account information and we'll keep it updated for you or you can manually enter the amounts.
