### Your Blue at your fingertips

#### BlueCross BlueShield of Tennessee's new mobile application for iOS and Android

You're constantly on the go, so you need a convenient way to keep up with your BlueCross health plan. With myBlue TN, you can find doctors, look up claims information or access a digital version of your Member ID card.

To get started, log in to the application using the same username and password you use on the BlueAccess<sup>SM</sup> online member portal. Or just tap Register Now to quickly register. Have your Member ID card handy. Just a few taps and you'll be on your way to accessing your details.

Find a doctor in your plan's network by specialty or name (enter the ID prefix from your Member ID card so the app knows which network doctors to display). Sort results or tap the Map View to see a map. Tap on a doctor to view details, call the office or save to your contacts.

Search for urgent care facilities using your current location, city or zip code. Tap on a listing to find the facility's contact information, view the listing on a map, and call or save as a contact.

Access balances, claims and health plan details and a mobile version of your Member ID card in My Insurance. You can view current balances, in-network and out-of-network deductibles, how much of your deductible you've met and how much remains on your plan.

Visit My Discounts often to see special Blue365® discounts that help you make healthy lifestyle choices with savings on a variety of health-related products and services.
