

USING THE PLUS90 NETWORK

You can now purchase up to a three-month supply of most medications* at participating retail pharmacies through the maintenance pharmacy retail network.

Plus, ordering a three-month supply can save you money – you will pay less copays because you are not ordering as often. If you choose to use a retail pharmacy that is not part of the Plus90 Network, you are limited to a one-month supply.

THESE NATIONAL CHAIN PHARMACIES ARE PART OF THE PLUS90 NETWORK

- Bi-Lo®/Food City®
- CVS/pharmacy®
- Fred's Pharmacy™
- Kmart®
- Kroger®
- Publix®
- Rite-Aid®
- Sam's Club®
- Wal-Mart®
- Walgreens®

To find out if other retail pharmacies in your area participate in this network, visit bcbst.com and click on the “**Find a Doctor**” link on the right side of your screen.

- Click on **FIND A DOCTOR**
- Under the “Pharmacy” tab, begin your search by pharmacy type or name

* Your doctor will need to write your prescription for a three-month supply. Specialty pharmacy medications are limited to a one-month supply and should be purchased from a Specialty Drug vendor. Other selected medications have quantity limits. Check the Pharmacy Section of bcbst.com for the most up-to-date information.
